REMARKS

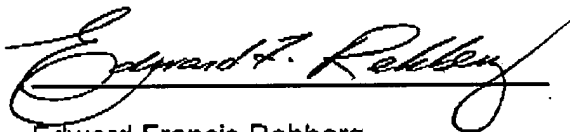

Applicants have complied with the Examiner's request to cancel claims 1-10 and 19-33. Applicants have amended claims 17 and 18 to depend from claims the Examiner has indicated are allowable. Applicants believe that pursuant to MPEP § 821.04(b) that such an amendment is permitted because claims 17 and 18 have been amended to depend from or include all the limitations of the allowable claims and because the amendment is presented prior to final rejection or allowance.

Conclusion

It is believed that the claims as presented are presently in condition for allowance and Applicants respectfully request that they be passed to issue.
